LUNCH AND LEARN WEBINAR SERIES

Renewal and Resilience: Navigating the Future of Business in 2024

The Business Education Webinar Series aims to provide insights, strategies, and practical knowledge to empower professionals and business leaders in building renewal and resilience within their organizations. The series will cover a range of topics, addressing current and anticipated challenges and opportunities in the business world.

Monthly Meetings:

Third Thursdays of the Month at 12:00 p.m.

DR. RAMZAN AMIRI

Renewal Strategies: Adapting to Change

- Importance of adaptability in business
- Strategies for embracing change and fostering innovation

Dr. Ramzan Amiri is an accomplished strategic leader with over 25 years of executive-level experience and a track record of transforming organizations with a demonstrated commitment to operational excellence using effective and efficient models. Dr. Ramzan Amiri completed his Executive MBA degree from Pepperdine University and a few years later pursued his Doctoral Degree, which he completed in October 2020. He founded i2strategy LLC in 2013, a management consulting company specializing in growth strategy, operational effectiveness, and supply chain management, which he currently manages. He is also a lecturer at California State University, Los Angeles.

Some key accomplishments:

- Authored an article in the Journal of Global Leadership- Volume VI, December 2018, "Growth strategy for Belize."
- Developed and implemented strategies for over 20-plus small and medium-sized businesses and got them on the growth path.
- Successfully coached several CEOs and business leaders in operational excellence, developing business models, growth strategy, and talent development with monitoring systems (KPI) to achieve business objectives.
- Provided leadership in integrating organizations after mergers and acquisitions of manufacturing facilities in Switzerland, Mexico, Orange County, and Los Angeles, comprising a diverse group of people with multiple cultures and languages.
